

VEDA

KANDIVALI EAST

A COMPLETE WAY OF LIVING

Some homes are designed to meet expectations. Others are created for those who look beyond them.

Introducing Veda, a thoughtfully conceived residential address in the heart of Kandivali East. A contemporary 23-storey residential tower brings together well-planned spaces, considered architecture and lifestyle experiences that enrich everyday living.

Thoughtfully designed 2 & 3 BHK residences balance space, natural light and privacy. A limited number of homes feature a private deck, enhancing the sense of openness and connection with the outdoors.

Beyond the residences, a thoughtfully curated selection of lifestyle amenities, an infinity swimming pool and rooftop recreation spaces create room to unwind, stay active and enjoy time at your own pace.

Veda is more than a place to live. It is a reflection of how you choose to live.
